A. BACKGROUND

The Joint European Commission (EC) and Council of Europe (CoE) Programme “ROMACT – Building up political will and understanding of Roma inclusion at local and regional level” (ROMACT) (hereafter referred to as “the Programme”) is pursuing the ROMACT Programme to build the capacity of local authorities to develop and implement plans and projects for Roma inclusion and aim to promote the integration of Roma at local level.

The Programme pursues the following objectives: improving local democracy, accountability, inclusiveness and responsiveness towards Roma citizens and thereby improved delivery of services.

The Programme will end on 31 March 2021.

The Programme is comprised of several elements of support to regional and local authorities and Roma communities focusing on:

- capacity building;
- establishment and enforcement of mechanisms and processes promoting and ensuring good governance standards and ownership by local authorities of effective integrated development efforts covering education, employment, healthcare, housing, urban development and culture;
- equipping local authorities with tools, knowledge and skills to overcome the challenges and barriers in regard to the needs of the Roma;
- improving the efficiency, effectiveness and sustainability of local policies, measures and delivery of services; and
- supporting cooperation between municipalities willing to design and implement jointly concrete integration measures and projects.

The Programme’s activities will take place in **2 (two) countries: Bulgaria and Romania in a number of municipalities in each country.**

In each country, a National Support Team will be formed, consisting of one or more National Project Officer(s), National Facilitators’ Coordinator and a number of Facilitators.

The Council of Europe is organising **a call for tenders** with a view to awarding a Framework Contract (hereafter referred to as the “Contract”) for consultancy services within the framework of the Projects in **Romania**. This call relates specifically to consultancy services to be provided by a Provider who will act as **National Facilitators’ Coordinator**.
